

Student Role in Institutional Decision Making

Students at ABAC have the right to participate in policy making of the Institution. There is a minimum of two student members on all College committees that make decisions related to students. These students, appointed by the president of the SGA, have full voting rights in the individual committees and are encouraged to be active participants. Student representatives on each committee are encouraged to report all committee actions and considerations to the Student Senate. This right is subject to supervision as delineated in the Policies of the Board of Regents of the University System of Georgia and the policies of this institution.
