Information about the ABAC Regional Science and Engineering Fair is available on the Internet at:

<http://www.abac.edu/SM/default.asp>

**Senior Division Team projects are being accepted at the ABAC Regional S & E Fair this year.** It is the feeling of the Fair committee that experience in individual science experimentation should be a prerequisite to participation in a team project. Therefore we will not accept team projects in the Junior Division.

**Note:** Be sure to bring copies of all forms to display with your project. None of the forms mailed with the application materials will be available for display with your project the day of the fair.
