

## The Division of Health, Physical Education and Recreation

The curriculum for the freshman and sophomore years has been designed to provide core courses in the areas of humanities, mathematics, natural and behavioral sciences, and education. If the student plans to transfer outside the University System, he should contact the appropriate school or guidance officers to determine whether there are variations required in the program he should follow.

### PHYSICAL EDUCATION

A student completing the physical education curriculum will receive the Associate of Science degree.

**Core Curriculum: Areas A-E (see pages 87-89)**
