

A c a d e m i c P r o g r a m s

The college has seven academic divisions through which the total academic instructional program is conducted. The division faculty work under the guidance of a chair who is responsible to the Vice President for Academic Affairs and Dean. The faculty and chairs are responsible for initiating new programs and changing existing programs.

The college offers Bachelor of Applied Science (B.A.S.) degrees, college transfer programs and career programs of study. The college transfer studies are designed to prepare the student to enter a senior institution as a junior. Some courses prescribed are common to both the career and transfer programs; others are not. To avoid loss of credit, any student who is undecided about entering a transfer program or a career program should work closely with his/her advisor to take courses common to both types of programs.

The college offers two associate degrees in the college transfer program: the Associate of Science (A.S.) and the Associate of Arts (A.A.). Under one of these two degrees comes the program of study which the student chooses. The college transfer curricula which lead to this degree prepare the student to transfer and continue a program leading to the Bachelor of Science degree in the elected major. The Associate of Arts degree offered in the Humanities and Social Science Divisions prepares the student who seeks to earn the Bachelor of Arts degree in the elected major.

Regardless of the program of study chosen, each student in the transfer program must complete the requirements of the college-wide Core Curriculum, found on pages 95 - 97. Physical Education course requirements are in addition to 60 hours required in the Core Curriculum.

The career-technological programs are designed to prepare a student for employment immediately after completion of the prescribed courses of study. Graduates in these programs, with the exception of nursing, are awarded the Associate of Applied Science (A.A.S.) degree. Students completing the Registered Nursing program are awarded the Associate of Science in Nursing (ASN) degree. Many of the A.A.S. degrees require a Humanities elective - a listing of these courses may be found on page 98.

Academic Programs

The Division of Agriculture and Forest Resources

Diversified Agriculture	B.A.S.
Turfgrass and Golf Course Management	B.A.S.
Agriculture	A.S.
Agribusiness and Agricultural Economics	A.S.
Agricultural Education	A.S.
Agriscience and Environmental Systems	A.S.
Animal Sciences	A.S.
Biological and Agricultural Engineering	A.S.
Family and Consumer Sciences	A.S.
Forestry and/or Wildlife Management	A.S.
Plant Sciences	A.S.
Agricultural Business Technology	A.A.S.
Agricultural Engineering Technology	A.A.S.
Agriculture Production Technology	A.A.S.
Environmental Horticulture Technology (choose area of concentration)	
Commercial Turf Management	A.A.S.
Golf Clubhouse Management	A.A.S.
Golf Turf Management	A.A.S.
Landscape Design and Grounds Management	A.A.S.
Ornamental Production	A.A.S.
Sports Turf Management	A.A.S.
Family and Consumer Sciences Technology (choose area of concentration)	
Children and Family Services	A.A.S.
Fashion Merchandising	A.A.S.
Interior Design	A.A.S.
Forest Technology	A.A.S.
Livestock Production Technology (choose area of concentration)	
Beef	A.A.S.
Equine	A.A.S.
Wildlife Technology	A.A.S.

The Division of Business Administration

Business Administration	A.S.
Economics	A.S.
Information Technology	A.S.
Management and Marketing	A.A.S.
Information Technology	Certificate
Management and Marketing	Certificate
General Business	Certificate
Office Technology	Certificate
Web Technologies	Certificate

The Division of Health and Physical Education

Physical Education A.S.

The Division of Humanities

Art A.A.
 Communication Arts (choose area of concentration)
 Agricultural Communication A.A.
 Journalism A.A.
 Mass Media A.A.
 Public Relations A.A.
 Speech Communication A.A.
 English A.A.
 Foreign Language A.A.
 Liberal Arts A.A.
 Music A.A.

The Division of Nursing and Health Services

Nursing A.S.

Nursing (RN) A.D.N.

The Division of Science and Mathematics

Allied Health (choose area of concentration)
 Dental Hygiene A.S.
 Health Information Management A.S.
 Medical Technology A.S.
 Occupational Therapy A.S.
 Physical Therapy A.S.
 Physician Assistant A.S.
 Radiologic Sciences A.S.
 Respiratory Therapy A.S.
 Sports Medicine (Exercise Science) A.S.
 Biology A.S.
 Chemistry A.S.
 Computer Science A.S.
 Dentistry A.S.
 Engineering A.S.
 Mathematics A.S.
 Medicine A.S.
 Pharmacy A.S.
 Physics A.S.
 Veterinary Medicine A.S.

Academic Programs

The Division of Social Science

Criminal Justice	A.S.
Education (choose area of concentration)	
Early Childhood Education	A.S.
Middle Grades Education	A.S.
P-12 Education	A.S.
Secondary Education (choose discipline area as major)	
History	A.A.
Human Services	A.S.
Law	A.A.
Political Science	A.A.
Psychology	A.A.
Sociology	A.A.
Criminal Justice – Law Enforcement	A.A.S.
Human Services Technology (choose area of concentration)	
General	A.A.S.
Social and Legal Services	A.A.S.
Instructional Support Personnel	Certificate

Cooperative Degree Programs

East Central Technical College	A.A.S.
Moultrie Technical College	A.A.S.
