

Good afternoon USGSC members:

I am pleased to report that 10 member schools were able to attend last week's USGSC meeting held at Middle Georgia College. Congratulations to our newly elected officers for 2010-2011:

Chair-Elect: Nancy Anthony, Abraham Baldwin Agricultural College

Secretary: Nicole Lee, Columbus State University

Treasurer: Steven Hayes, Bainbridge College

Immediate Past Chair: Pierrette Maillet, Southern Polytechnic State University

At that meeting, along with input from other schools who emailed their approval, we were able to pass our new bylaws. They are now officially in effect, which will allow us to formally request the recognition of the Board of Regents for the USGSC. Information regarding that process will be shared as it is available.

Membership dues of \$25 for each staff council for the coming year are now due. Keep an eye on your email for a copy of the dues form and more information about how to submit your dues.

Also, many campuses have just recently elected new officers. Please email our Secretary, Nicole Lee, at [lee\\_nicole1@colstate.edu](mailto:lee_nicole1@colstate.edu) with your updated contact information, both primary and secondary.

Thanks for your participation in the USGSC!

Pierrette Maillet  
Past Chair, USGSC
