Health Care on our campus is dedicated to one objective: Helping you remain healthy while pursuing your educational goals.

Student Healthcare

A well trained and fully licensed healthcare professional staff offers health care for minor and acute illness, medications, immunizations, treatments, medical supplies, nutritional counseling, and campus-wide wellness promotional campaigns, as well as assistance with referrals to campus and community health agencies. Staff members are available for one on one counseling regarding drugs, alcohol, sex, women's healthcare, and family planning.

Your Student Health Fee

Health Care administered through ABAC's Student Health Services is covered under your student health fee. Minimal co-payments may be applied for supplies, medicines, laboratory tests, immunizations, and treatments. Referrals or health services outside of ABAC Student Health Services will be the financial responsibility of the student.
