*This suggested program of study is to be used with an advisor to develop the best academic plan for each student. Some changes and adjustments may be necessary to meet different program requirements. This plan of study is based on the 2010-2011 academic catalog.

¹Area D – Science for science major (recommended)

²Students must either take MATH 1113 or both MATH 1111 and MATH 1112

³Area F – Electives – Select 9 hours from any courses taught by the School of Agriculture and Natural Resources; See catalog for complete listing.

NOTE – Students pursuing this curriculum will maintain an advisor in Communication Arts and consult with the General Agriculture advisor.
