*Notes: ** Primary Contact, * Alternate Contact. If the primary contact for an area is unavailable, the alternate contact should be notified and the responsibility to notify their Departmental Emergency Coordinators, if any, will then fall on the alternate. All area codes 229 unless noted otherwise.*

Home and cell numbers are not available in the on-line version.

Departmental Emergency Coordinator Notification Schedule

*The success of the notification system and the safety of campus personnel depend on everyone carrying out assigned notification responsibilities. Don't let the notification system break down. **Notify everyone in your area of responsibility.** Those notified should maintain their own sub-group contact lists, if required, to ensure that all appropriate additional notifications are made. All area codes 229 unless noted otherwise.*

Home and Cell phone numbers are not available in the on-line version.
