

The Division of Health, Physical Education and Recreation

The Health, Physical Education, and Recreation Division offers service courses in both Health and Physical Education that are required for all students. The Division also offers an Associate program in Physical Education for students interested in teaching physical education and/or coaching various sports. Completion of the Associate in Science with a major in Physical Education prepares the student to transfer to a four-year institution to complete the requirements for teaching and coaching certifications.

PHYSICAL EDUCATION

A student completing the physical education curriculum will receive the Associate of Science degree.

Core Curriculum: Areas A-E (see pages 95-97)

AREA D: SCIENCE MAJORS

AREA F: Major courses – 18 hours

		Hours
