Calgary - Tour Ends

Your tour ends today, leaving you with many pleasant memories of your outstanding vacation to two of the world's most beautiful areas: the incomparable Canadian Rockies and Glacier National Park.

Experience It!

The Icefields Parkway

Your tour of the Canadian Rockies features a drive along the incredible Icefields Parkway. Paralleling the Great Divide, this special roadway is home to some of the most dramatic vistas in all of North America. Here, snow-capped mountains engulf the landscape, casting shadows on the adjacent glacial streams.

During the 1800s, a similar route was used by the fur traders. The first roadway was built in the 1930s and the present parkway was completed by 1965. Highlighting your trip along the Icefields Parkway is a stop at the Columbia Icefield – a dramatic, 200-square mile stretch of land filled with glaciers. Here you may have an opportunity to ride across a 1,000-foot thick glacier.
