### Kappa Sigma Presents 'My Brother's Keeper'

The Rho-Rho Chapter of Kappa Sigma fraternity, along with ABAC, the grant from the Governor's Office of Highway Safety (GOHS), and the Tifton and Tift County Public Safety Departments are joining forces to combat alcohol abuse, including underage drinking and impaired driving with "My Brother's Keeper" today in the Meadows. The event began at 11 a.m. and continues until 2 p.m.

Through GOHS, ABAC has received a \$6,000 grant to participate in the Georgia Young Adult Program. Designed for colleges and universities in the state, the Georgia Young Adult Program focuses on peer education in order to promote and bring awareness to highway safety issues including alcohol education, alcohol abuse prevention, impaired driving, underage drinking, safety belts, speeding, risk reductions and other destructive decisions.

"My Brother's Keeper" is a program

that will take place to help raise awareness of the many dangers that students face while driving under the influence. The event will be held from 11 a.m. - 2 p.m. featuring demonstrations and scenarios of irresponsible driving before students leave campus for Spring Break. The mission of this event is to educate students on the dangers of driving under the influence, texting while driving, not wearing a seatbelt, and other safety issues behind the wheel. It is the simple decisions while operating a motor vehicle that could save the lives of you, family members, and the others that are around you.

The long-term goal of the program is to create safer, more-healthy campus environments. ABAC will use this Peer Education grant to help educate the students on the detriments to drinking and driving and other components of alcohol misuse. The grant runs from Oct. 1, 2012 thru Sept.30, 2013.

# Waycross Native Kristen Ray Selected as Ms. ABAC 2013

A blue-eyed junior from Waycross who admits she has a "special place in her heart" for ABAC was crowned Ms. ABAC 2013 in the recent ceremony in Howard Auditorium.

Kristen Ray, a Rural Studies major with an emphasis in Social and Community Development, said that when her name was called by Master of Ceremonies Mike Chason, "I was in complete shock."

"I was out there just to have fun," Ray, a 20-year-old with a vivacious personality, said. "I was standing there and finally I told myself, 'you better walk up there and get that crown.'"

Ray also won the Essay Award in the competition, which was sponsored by the ABAC Ag Business Club. Other finalists were first runner-up Sara O'Neal, a freshman Rural Studies (Writing and Communication) major from Tifton; sec-

ond runner-up Jessie Still, a sophomore Journalism and Mass Media major from Blakely; third runner-up Kristen Card, a junior Biology major from Cordele; and fourth runner-up Erica Tucker, a freshman Middle Grades Education major from Tifton.

Card won the Interview Award, and Caitlyn Asbell, a

junior Early Childhood Education major from Gray, won the Ms. Congeniality Award. Rae Evans, a sophomore Early Childhood Education major from Hawkinsville, received the People's Choice Award.

Ray said she wants to represent ABAC "to the best of my ability and be a positive influence for other students on campus. I was going to transfer last year after I graduated with my associate degree but I just couldn't leave. I have a

special place in my heart for ABAC."

Ray plans to graduate from ABAC with her bachelor's degree in Rural Studies in May, 2014. She has lived on campus in ABAC Lakeside and ABAC Place her entire college career and loves the convenience of being in the center of all the activity.

"The rooms are nice, and I know all my roommates really well," Ray, who was sponsored by the Rural Studies Club, said. "They call me 'Paula Deen Junior' because she's my favorite cook. They swear I am in love with butter. I love some country cooking and Southern food. Mama is the one that taught me."

The daughter of Randy and Sharon Ray from Waycross said coming to ABAC was "one of the best decisions of her life."

Two months before she graduated from Bacon County High School in 2010, she planned to run cross country at another college. One trip to ABAC altered that course.

"Within 10 minutes of walking on the campus, I told my mom, 'let's go buy a t-shirt,'" Ray said. "Everyone here made me feel welcome."
