Aiming at high school seniors graduating this spring as well as adults who have been away from the classroom for a number of years, ABAC will host simultaneous information sessions on March 20 from 6-8 p.m. at the Agricultural Sciences Building on the ABAC campus.

Enrollment Management Counselor Brooke Jernigan said the Admissions Office will host an Apply to ABAC/Financial Aid night and a “Back To Your Future” event on the same evening.

“Two of the most important things you will do in the college application process are applying for admissions and applying for financial aid,” said Jernigan. “You certainly wouldn’t want to do one without the other. Financial aid and admissions staff will be on hand to help you with both steps.”

Students seeking financial aid must have their Personal Identification Number (PIN) from the Free Application for Federal Student Aid (FAFSA) web site and a copy of their 2011 tax returns for parents and students, if applicable, to receive assistance with the financial aid process.

A “Back To Your Future” event geared toward non-traditional students will take place in conjunction with the Apply to ABAC/Financial Aid night. Enrollment Counselor Kaitlin Stannard said anyone who is starting college or going back to college can apply for admission and financial aid, get questions answered, and speak to a current non-traditional student.

A second “Back To Your Future” event will be held in downtown Moultrie at ABAC on the Square on April 12 from 6-8 p.m. in Room 211.

“This is a great opportunity for people interested in going back to school but don’t know where to start,” Stannard said. “Prospective students can get their questions answered and learn about the application and financial aid processes.”

For more information on the Apply to ABAC/Financial Aid night, interested persons can contact Jernigan at 391-5018 or at bjernigan@abac.edu. Those interested in the “Back To Your Future” event can sign up by contacting Stannard at 391-5017 or kstannard@abac.edu.

Two additional sessions of the Apply to ABAC/Financial Aid night will be held on April 19 from 6-8 p.m. and on May 22 from 6-8 p.m. in the Agricultural Sciences building.

Classes for summer term at ABAC begin June 4. Fall semester classes start on August 13.

Turfgrass Students Represent ABAC in Las Vegas

Six B.A.S. Turfgrass and Golf Course Management students represented ABAC at the Golf Industry Show annual conference in Las Vegas, NV. Club advisors Jimmy Felton (second from right) and John Layton (left) accompanied the group. The students participated in the Collegiate Turf Bowl competition, networked with industry professionals, and visited with numerous ABAC alumni during the conference Feb. 28–March 3.
**Experience ABAC in Perry!**
