1. Students domiciled in an out-of-state county bordering Georgia, enrolling in a program offered at a location approved by the Board of Regents, and for which the offering institution has been granted permission to award Border County waivers (BoR Minutes, October 2008); or

2. Students domiciled in another state bordering Georgia subject to the following conditions. Each year, the Chancellor shall review the enrollment levels at each USG institution to determine whether any USG institutions have sufficient excess capacity to increase recruitment of students from neighboring states. Should the Chancellor determine that cause exists to activate the Border Residents waiver, the Chancellor or his designee will present the list of institutions to the Academic Affairs Committee of the Board of Regents for approval. If an institution is given permission to award the Border Residents waiver, it will be allowed to do so for the next three academic years. Any students receiving the Border Residents waiver will remain qualified for the waiver, so long as they are continuously enrolled at the institution that awarded the waiver. (BoR Minutes, March 2015)
