To encourage college spirit during homecoming, student organizations are encouraged to decorate a section of sidewalk on the Meadows. Sidewalk sections will be assigned by the homecoming committee. Judges will determine first, second, and third place winners to assign homecoming club competition points.

Sidewalk Decoration Guidelines
The purpose of the perimeter road decoration is to provide a fun experience for the ABAC community, encourage student spirit, and welcome the ABAC Alumni back to campus.

1. Entry applications will not be accepted when the Homecoming Committee determines an entry to be controversial, unlawful, or otherwise considered to be inconsistent with the standards or the purposes of ABAC Homecoming.
2. Decorations should be limited to side-walk chalk in the assigned area.
3. Nudity, vulgarity, or hateful language or images are prohibited.
4. Decoration should be completed on Monday, April 6th between 4:00 and 5:00 pm
