REQUEST FOR TRANSIENT PERMISSION

Both pages of the transient permission request form must be read and completed before permission may be considered.

Section I (Student Section; Read carefully then sign the form, indicating that you understand the following:)

The student must have the transient school send an official transcript to ABAC as soon as grades are available.

Transient permission will not be granted for any student who has an outstanding financial obligation or financial hold.

This request for transient permission is for ONE TERM ONLY. If the transient school enters an Agreement with ABAC to verify for us enrollment in classes, ABAC Financial Aid may determine and award based on the student’s eligibility. Please be aware that financial aid will likely NOT pay upfront for classes at the transient school.

I understand I must earn the minimum required residency hours at ABAC to satisfy requirement for my degree program.

I understand that I may not request transient permission until I have completed at least one term at ABAC. Further, if I have not attended ABAC within one academic year I must submit a readmission application before returning. If readmitting to ABAC, I understand I may not request transient permission unless I have completed my first term of readmission.

I understand that I must meet the ABAC pre-requisites for any courses for which I am requesting transient permission.

The student MUST request an official transcript be sent to the ABAC immediately after the transient semester ends and grades have been assigned. Continuing financial aid eligibility at ABAC CANNOT be determined until the official transcript is received at ABAC.

A student receiving financial aid at ABAC will receive aid for the total number of hours enrolled at ABAC and/or the transient institution only after receipt of a completed Agreement provided by the transient institution.

The student should be aware that not all institutions enter into an Agreement for transient study. It is the student's responsibility to contact the transient institution prior to attending to verify if the school will enter into an Agreement with ABAC. Otherwise, transient hours will not be considered in determining financial aid eligibility and potential award amount.

The student should be prepared to pay for any and/or all expenses at the transient institution related to their attendance, including tuition, fees, books, etc. Federal funds will not be available at the time of transient enrollment and registration.

A student eligible for HOPE Scholarship should contact the transient institution prior to attending to determine their requirements in awarding transient HOPE funds.

The HOPE Scholarship requires a student to maintain at least a 3.0 GPA and has checkpoints at 30, 60, and 90 hours as well as after Spring semester. To be awarded for the following semester, an evaluation of the HOPE attempted hours and GPA must be performed. Remember that HOPE will NOT be awarded until transcripts have been received.
