Thank you for considering Abraham Baldwin Agricultural College! I am certain that once you learn more about ABAC, you will see that we really are College Done Right. Choosing a college is an important decision that should not be taken lightly.

We pride ourselves on the quality, hands-on education that you receive from ABAC. We expect you to succeed. Faculty, staff and administrators are committed to helping you do so. ABAC has a nationally-accredited, free of charge tutoring center to build upon what you learn in the classroom.

I encourage you to make the most of your college search process and tour campuses. I am convinced that you will find the beautiful ABAC campus warm and inviting. You will find our people to be eager to provide personal assistance. You will not be just another student.

Are you looking for value? You should be. Getting more for less is possible at ABAC. Over the course of 4-years as a student, you could easily save over $20,000 in tuition compared to many other public colleges and universities in Georgia. Leaving college with as little debt as possible should be one of your goals. At ABAC, we can help you achieve that goal.

ABAC not only offers you a quality education at a fraction of the price, but we offer you hands-on learning, job opportunities, internships, study abroad and the opportunity to engage with faculty, staff, alumni and administrators in a way that can be invaluable when you leave college. When you leave ABAC you will be prepared for life – that is college done right.

My office is located on the second floor of the newly renovated Tift Hall; stop by and say hello while you are on campus.

Sincerely,

David C. Bridges

1. Complete a Free Application for Federal Student Aid (FAFSA). The application can be completed online at www.fafsa.gov. The deadline for fall semester is July 1 and for spring semester is November 15.

2. FAFSA results determine your eligibility for grants and loans. Apply as soon as you complete your tax return for the previous year. Prepare your taxes early!

3. If you are a Georgia resident eligible for the HOPE Scholarship, you must go through the financial aid process.

4. Access your eStallion account and confirm the office has received all necessary information.

5. No financial aid can be awarded until you’ve been accepted to ABAC.

6. Apply early! Don’t wait until the last minute. Stay in touch with ABAC Student Financial Services and don’t hesitate to contact them with questions.
