## GEORGIA DEFINED CONTRIBUTION PLAN

Individuals employed as temporary or part-time employees by state agencies (including the Abraham Baldwin Agricultural College) are required by Georgia law to contribute 7.5% of their pay to the Georgia Defined Contribution Plan (GDCP) instead of making contributions to Social Security. The plan was started to give temporary and part-time employees of the State of Georgia a retirement system.

If you are a bona fide independent contractor, member of or retired from the Employee's Retirement System (ERS), the Teacher's Retirement System (TRS), or if you are a student currently enrolled at Abraham Baldwin Agricultural College, you are exempt from membership in the Georgia Defined Contribution Plan.

Check the box corresponding with your current situation:

- I am a bona fide independent contractor
- I am a member of or retired from the ERS.
- I am a member of or retired from the TRS.
- I am a student enrolled and attending classes at this institution.
- I am none of the above, enroll me in GDCP.
