When we look for beauty and wonder, sometimes we forget about the amazing places right in our own backyard. Join us for a visit to the Okefenokee Swamp, one of the Seven Natural Wonders of Georgia that can be found just down the road from Tifton. The swamp is a national landmark that spans over 438,000 acres around the Georgia–Florida border. Famous for its alligators and varied foliage, the Okefenokee is a local treasure with international recognition, attracting visitors from all over the world each year.

The ABAC bus will take us on a one-day trip that will be filled with all the sights, and sounds of the largest Blackwater swamp in North America. We will embark an extended boat tour of the swamp with a knowledgeable guide that will spare no detail. A delicious meal catered right on the grounds of the park will be a welcomed mid-day rest. Wear comfortable shoes, as our day will take us down some of the winding boardwalks and trails throughout the swamp. Get a bird’s eye view of the wetland from the 50-foot observation tower. The price of this trip includes transportation, parking, tip, all tours, and lunch on the grounds. Don’t miss this opportunity to see the Okefenokee like never before!
