RANCH INTERN

Qualifications:

- Excellent problem-solving skills.
- Solid communication skills, verbal and written.
- Read, speak, and write English. Spanish skills a bonus.
- Flexible schedule and willingness to work long hours and weekends, as workloads dictate.
- Keen interest in cattle, hog, and crop production.
- Appreciation of importance of organization and beautification of farmstead.

A progressive, diversified agriculture operation is searching for a responsible, self-motivated, detail-oriented individual to be a Ranch Intern. This intern will be involved in all aspects of a registered beef cattle operation, purebred swine farrow-to-finish operation, and crop production by working closely with the owner in the daily production activities. Maintaining respectable business relationships, as well as positive employee relationships on all levels is of utmost importance. The applicant should strive for excellence and have the desire to grow the business as well as have personal goals. Applicant must be flexible in personal schedules and be willing to work weekends. Internships available for Fall, Spring or Summer.

Visit www.redhillfarms.net to learn more about this farming operation.

Housing is available. Pay is negotiable and based on experience.
