BURGER KING SCHOLARS PROGRAM

Website: http://www.bkmclamorefoundation.org/WhatWeDo/ScholarsProgram

Created in memory of BURGER KING co-founder James W. McLamore, the BURGER KING Scholars program has awarded more than 17,000 scholarships—$17.6 million—to high school students, BURGER KING® employees and their children across the U.S., Canada and Puerto Rico. Last spring, thanks to the support of the BK® family and the McLamore Family Foundation, the Foundation awarded more than 000 scholarships, totaling more than $2.2 million, nearly doubling the number of scholarships granted in 2011.

Scholarship grants range from $1,000 to $50,000, and are intended to help students offset the cost of attending college or post-secondary vocational/technical school. Recipients are selected based on their grade point average, work experience, extracurricular activities and/or community service.

Scholarships are funded directly by the BURGER KING McLAMORESM Foundation and are made possible thanks to our generous donors, including BK® employees, franchisees, vendors and guests. Our largest annual fundraiser is the Fall Fundraiser in-restaurant promotion. Every dollar raised through this campaign is used to fund scholarships. Each year we inch closer to our goal of granting one $1,000 scholarship for every BK® restaurant in North America.

CHICANO ORGANIZING & RESEARCH IN EDUCATION (CORE): Que Llueva Café Scholarship

CORE proudly sponsors this scholarship to help undocumented students continue on their academic path. We seek to support undocumented students that have met the rigorous academic requirements asked of them and hold the academic promise to achieve so much more.

What are the areas of evaluation that CORE uses to determine their scholarship recipients?

We evaluate each applicant holistically but there are three key areas of evaluation. They are:

1. Your personal story, which takes into account financial need and other compelling challenges the applicant has had to endure;
2. Extra-curricular involvement, which includes anything you do outside of class like community involvement, work, and clubs; and
3. Your academic promise, which is not limited to GPA or test scores but, more importantly, looks at your academic potential for the future
