

ABRAHAM BALDWIN AGRICULTURAL COLLEGE

Office of Human Resources

IT User Security Training

ABAC requires all employees to participate in Information Technology User Security Training.

When you enter the training, please read the information carefully and take the quiz at the end of the presentation. You must make a score of 80% or better to pass. If you failed to achieve 80% or better, please retake the quiz.

Your score will be emailed to the Human Resources department upon completion of the quiz.
