Right to Know Chemical Training from DOAS

The State of Georgia Department of Administrative Services (DOAS) requires that ABAC provides all employees training and information about hazardous chemicals present in the workplace.

When you enter the training, click on the blue [Next>>](#) button at the upper right side of the page then follow directions within the DOAS Web site.

After you have completed of this training, you are required to **print** a copy of the certificate acknowledging that your training is complete. You will need to mark your status, and if you are a volunteer, please mark “staff.”
