ABAC PRESENTS

DALLAS BRASS

Since its founding in 1983 by Michael Levine, the Dallas Brass has become one of America’s foremost musical ensembles. The group has established a unique blend of traditional brass instruments with a full complement of drums and percussion, which creates a performing entity of extraordinary range and musical challenges. The program for the evening is a musical travelogue through American history and includes music from the time of George Washington to the present day: from Sousa to John Williams; from bands like The Tijuana Brass to Chicago; and styles from Dixieland to Broadway to Hip Hop. There is definitely “something for everybody.” Don’t miss this exciting program which concludes featuring not only the Dallas Brass, but also the ABAC Concert Band and the Tift County High School Band in a thrilling finale to a spectacular evening!
