‘Bottles and Brushes’ Art Class March 29 at Museum of Agriculture

TIFTON— “Stained Glass Butterfly” by Brenda Rose will be the featured painting for the Bottles and Brushes session on March 29. The class will take place from 6-8 p.m. at the Georgia Museum of Agriculture and Historic Village at Abraham Baldwin Agricultural College.
“The March class marks two years of Bottles & Brushes classes at the Museum,” said Polly Huff, GMA Gallery Coordinator. “We are excited to see returning students who have been with us since the beginning, and new ones who have joined us along the way.”

Rose will guide participants through the process of recreating her original work, while students create their own interpretation before their eyes. Participants can bring their favorite beverage while enjoying an evening of creativity and fun. The Gallery at the Museum will provide the paint, canvas and brushes.

There is a fee of $25 per person for the class or $40 for a couple. Participants must register ahead of time by contacting Huff at (229) 391-5222 or by e-mailing her at phuff@abac.edu. Space is limited so early registration is important.

Companies who are looking for a unique team-building experience or a way to reward exceptional employees can participate in the corporate edition of “Bottles and Brushes”. The corporate painting will be custom-tailored to fit each company’s mascot, theme, or idea.

Gift certificates are available for future classes.
