‘Bottles and Brushes’ Art Class April 26 at Museum of Agriculture

TIFTON—The next session of the Bottles and Brushes art class will feature the painting “Blue Hydrangea Blossom” by Brenda Rose. Rose is a local artist and instructor for the Bottles
and Brushes class. The class will take place on April 26 from 6-8 p.m. at the Georgia Museum of Agriculture and Historic Village at Abraham Baldwin Agricultural College.

“I can’t wait to see how Brenda’s students interpret the blue hydrangea blossom with paint,” said Polly Huff, GMA Gallery Coordinator. “Those will make beautiful Mother’s Day gifts.”

Rose will guide participants through the process of recreating her original work, while students create their own interpretation before their eyes. Participants can bring their favorite beverage while enjoying an evening of creativity and fun. The Gallery at the Museum will provide the paint, canvas and brushes.

There is a fee of $25 per person for the class or $40 for a couple. Participants must register ahead of time by contacting Huff at (229) 391-5222 or by e-mailing her at phuff@abac.edu. Space is limited so early registration is important.

Companies who are looking for a unique team-building experience or a way to reward exceptional employees can participate in the corporate edition of “Bottles and Brushes”. The corporate painting will be custom-tailored to fit each company’s mascot, theme, or idea.

Gift certificates are available for future classes.
