User Login

If you do not know your ABAC ID#, click on the red link “Click Here - Look up your ID Number, your Username for My.ABAC and Student Email, and your Advisor Information.” to look up Your User ID number (begins with 918). Complete the fields as requested and click Continue. Write down your ID number and click Exit (in the top right corner) to return to the Banner Web log-in screen.

Enter your PIN in the PIN field. When first logging into Banner Web, your PIN is your six-digit date of birth (formatted MMDDYY). You will receive a message that your PIN has expired. Change your PIN as directed, using your MMDDYY as the old PIN and entering your new six-digit PIN choice in the next two fields.

If you have previously logged into Banner Web, your PIN will be the six-digit number you assigned upon your first login or when your PIN last expired. If you cannot remember your PIN, leave the PIN field blank and click the Forgot PIN button and follow the instructions.
