Logging in to your ABAC D2L Account

NOTE: If you are logging in to ABAC’s D2L for the first time, you must click “Forgot Password” to set up a password for your account.

1. Visit http://www.abac.edu
2. Click on My ABAC
3. Click on D2L
4. Enter your D2L user name. Students: this will be the first part of your Stallions email address. For example, if your Stallions email is ebunny3@stallions.abac.edu then you would enter ebunny3 as your D2L user name.
5. Enter your password. NOTE: If you do not know your password, click “Forgot Password”.
   a. Once you click “Forgot Password” a new page will open. Enter your D2L user name (see Step 4). (Again, do not include @stallions.abac.edu in this box)
   b. An email will be sent to your Stallions email account.
   c. Open the email and click the supplied link to reset your password.
