‘Bottles and Brushes’ Art Class June 28 at Museum of Agriculture

TIFTON— The first summer session of the Bottles and Brushes art class will take place on June 28 from 6-8 p.m. at the Georgia Museum of Agriculture and Historic Village at Abraham Baldwin Agricultural College.
Participants will paint a flower of their choice and embellish their canvas with a favorite poem or words of wisdom. The class will be taught by local artist and Bottles and Brushes instructor Brenda Rose.

“Come cool off and explore your creativity this summer with a Bottles and Brushes art class” said Polly Huff, GMA Gallery Coordinator. “It’s a great way to spend an evening.”

Rose will guide participants through the process of recreating her original work, while students create their own interpretation before their eyes. Participants can bring their favorite beverage while enjoying an evening of creativity and fun. The Gallery at the Museum will provide the paint, canvas and brushes.

There is a fee of $25 per person for the class or $40 for a couple. Participants must register ahead of time by contacting Huff at (229) 391-5222 or by e-mailing her at phuff@abac.edu. Space is limited so early registration is important.

Companies who are looking for a unique team-building experience or a way to reward exceptional employees can participate in the corporate edition of “Bottles and Brushes”. The corporate painting will be custom-tailored to fit each company’s mascot, theme, or idea.

Gift certificates are available for future classes.
