Summer Shine for the Stallion

Ken Lebeck (left) and J.R. Faw from Rockin' Joe's Coffee Shop and Detail Shop clean and apply a coat of wax to the bronze Stallion on an 88-degree Tuesday afternoon at Abraham Baldwin Agricultural College. The Stallion first occupied his perch between the J. Lamar Branch Student Center and Tift Hall on Jan. 29 as a part of the Historic Front Campus Project. The Stallion weighs over 1,000 pounds.
