Experience and Requirements: The purpose of the Nursery Internship is to provide Interns with a working knowledge of grounds maintenance on and around the property of a golf course. The Intern will gain knowledge through hands-on training and educational experience provided by the Nursery Staff in basic pruning techniques, greenhouse and annual flower program maintenance, applying chemicals and fertilizers, turf and ornamental maintenance and the operation of basic irrigation systems.

The duration of the Internship is 6 months, available from July to December 2014 or January to June 2015.

Currently enrolled in, or a recent graduate of, Horticulture, Agronomy or a related field of study at a college, university or technical school program.

Good verbal communication skills.

Possess the ability to operate basic landscaping equipment.

Possess a current and valid driver’s license and/or successfully completes the Club internal Motor Vehicle Program training.

About Us: Augusta National Golf Club, located in Augusta, Georgia, is home of the Masters Tournament. Founded by Bobby Jones and Clifford Roberts and designed by Allister MacKenzie on the site of a former indigo plantation, the Club opened for play in January 1933. Since 1934, it has played host to the annual Masters Tournament, one of the four major championships in professional golf, and the only major played each year at the same course.

Deadline to apply: February 6, 2014
