Genex Cooperative, Inc

POSITION OPENING

Title: Genex/Double M Ranch “Cow Sense and Science” Internship

Location: Varied locations including Midwest and Western U.S.

Accountable to: U.S. Beef Programs Marketing Manager

Major Areas of Accountability:

Genex Cooperative, Inc. is seeking a highly motivated individual who is available May 15 through August 1, 2014, (negotiable depending on school schedule) to assist in activities including, but not limited to:

• Participation in breeding projects and Genex “Chute Side Service”
• Custom collection activities
• Exposure to many facets of large ranch activities on the Double M Ranch, including:
  o Branding, synchronization and A.I. programs, general ranch work, data collection

In addition, the successful candidate will have the opportunity to gain a better understanding of the A.I. industry with networking opportunities available throughout the various divisions of CRI and Genex. Artificial insemination and other appropriate training will be provided. The travel commitment will be high with opportunities to work with Genex and Double M Ranch staff in numerous locations. All travel expenses will be paid by Genex.

Qualifications:

• Applicants should be pursuing a bachelor’s degree in Animal Science or a related field, and have completed classes commensurate with their sophomore year.
• The successful candidate must have a strong desire to work with cattle and people.
• Excellent communication and organizational skills, and the ability to work well independently and as part of a team.
• Knowledge of beef genetics and farm/ranch experience is required.

Submit cover letter and resume to:
