ABAC Nursing Info Session on November 20 in Moultrie

TIFTON- An information session on the nursing degree at Abraham Baldwin Agricultural College will be held on Nov. 20 from 2-4 p.m. at ABAC on the Square in Moultrie.

Prospective students will be provided with information about the nursing degree, and faculty will be on hand to answer any questions regarding the program. The associate degree in nursing at ABAC prepares students to take the Registered Nurse (R.N.) licensure examination.

“The sessions include discussions on admissions requirements, program offerings, and any other questions students may have about the nursing program,” said Troy Spicer, Interim Dean of the School of Nursing and Health Sciences.

For more information on these sessions, interested persons can contact the School of Nursing and Health Sciences at (229) 391-5020. Spring term classes begin at ABAC on Jan. 8, 2014.
