Abraham Baldwin Agricultural College
4th Annual “RUN FOR THE NURSES”
Running Event to Benefit the Lisa Purvis Allison Spirit of Nursing Scholarship Fund

The School of Nursing and Health Sciences will hold the 4th Annual “Run for the Nurses” event on April 11th, 2015 beginning at 7:30 am. The event will include a 5K run and ½ marathon (13.1 miles). All runs will begin and finish at the Health Sciences Building on the ABAC campus.

Lisa Purvis Allison began the nursing program at ABAC as a single parent of two children following the accidental death of her husband. While completing the last year of the program, she was diagnosed with colon cancer. She was an outstanding student who personified the caring and compassionate nature of nursing. Upon graduation she successfully passed her state board exam and was licensed as a registered nurse. The profession of nursing was not blessed to see her work in health care as she lost her battle with cancer shortly after graduation. The Lisa Purvis Allison Scholarship Fund was developed to honor Ms. Allison and assist other aspiring students to fulfill their dream of becoming a registered nurse at ABAC. The scholarship is awarded twice a year to a Generic and One Year bridge track nursing student meeting stated criteria to assist with final semester expenses. Nursing faculty and the family of Ms. Allison are involved in the selection process.

Our 3rd annual event was a success with over 200 registered runners. Your sponsorship for this event is greatly appreciated as we move toward raising the monies to endow this scholarship fund. Sponsorship Levels include:

- Gold - $1000 (Name/logo on tee shirt)
- Silver - $500 (Name in large font on tee shirt)
- Bronze - $300 (Name in small font on tee shirt)
- Friends of Nurses – up to $100 or any material donations

All Gold, Silver, and Bronze sponsors will be recognized the day of the event on a start/finish line banner. Sponsorship checks are made payable to the ABAC Foundation and can be mailed to the School of Nursing and Health Sciences.

Please contact Becky Arnold at 229-391-5024 or rarnold@abac.edu if more information is needed.

Thank you for assisting with the education of future nurses.
