Creating clove oranges is just one of the activities that will be offered at the Georgia Museum of Agriculture during the Greening of the Village on Dec. 6 from 9 a.m.-4 p.m. This event is free with regular admission to the Museum.

Greening of the Village at Museum of Agriculture on December 6

TIFTON – Celebrate the holiday season on Dec. 6 and join the Georgia Museum of Agriculture at Abraham Baldwin Agricultural College in decorating the Historic Village for the holidays. Greening of the Village is an excellent opportunity to learn how holiday decorations
were made in the late 19th and early 20th century and help the Museum staff members decorate the Historic Village.

Open from 9 a.m. until 4 p.m., the Greening of the Village offers a fun-filled day of creating traditional holiday decorations. Try your hand at making vine wreaths, magnolia wreathes, clove oranges, tying bows and much more. Don’t forget to stop by the resin-dipped pine cone station to create a special decoration of your own.

Upcoming events at the Museum include the Holiday Market and Country Store Open House from 10 a.m.-2 p.m. on Dec. 6, Victorian Village by Candlelight on Dec. 7 from 5:30-7:30 p.m., Wiregrass Christmas on Dec. 13 from 9 a.m.-4 p.m. and the North Pole Express on Dec. 18-19 from 5-8 p.m.

Admission is $10 for adults, $8 for senior citizens and $5 for children over four years of age. Children four and under are admitted at no charge.

The Museum of Agriculture and Historic Village will be closed from Dec. 22 – Jan. 2, 2014, and the Country Store will be closed Dec. 23 – Jan. 2, 2014. The Country Store will be open for holiday shoppers through Dec. 22 from 9 a.m. to 5 p.m.

For more information on any of these events, interested persons can contact the Museum at (229) 391-5205 or visit the web site at www.abac.edu/museum.
