QEP Student Learning Outcomes
Version III
06.07.16

**Problem-Solving Skills:** Students will apply skills, abilities, theories, or methodologies learned previously to new situations to solve problems or explore issues.

**Communication Skills:** Students will communicate content using conventions appropriate to a specific discipline.

**Application of Disciplinary Knowledge:** Students will compare academic knowledge to life experiences to infer similarities and differences and acknowledge perspectives other than their own.

These student learning outcomes were approved by the QEP Assessment Subcommittee and the QEP Director. 01/27/2016
