CHORAL DAY

Since 2007 the ABAC Choral Program has hosted internationally-known conductors, composers, educators, and performers as clinicians for an all-day clinic for area high school choral students and their directors. These students have the privilege to interact with the composer/conductor throughout the day, as well as singing with the auditioned choral group, the ABAC Chamber Singers.

Past ABAC Choral Days have included such composers/conductors as Mark Butler, Rod Eichenburger, James Mulholland, and Dan Forrest.
