ABAC Carries The Load

Veterans lead the way for the third annual Carry The Load Step-Off Rally on Thursday at Abraham Baldwin Agricultural College. The goal of Carry The Load is to restore the true meaning of Memorial Day by connecting Americans to the sacrifices of the military, law enforcement, firefighters, and rescue personnel. Seven ABAC students and four ABAC nurses
will be involved in the East Coast leg of Carry The Load from West Point, N.Y., to Dallas, Texas. Four more ABAC students are already on the West Coast leg which began in Seattle, Wash., on Tuesday. They will join members of the East Coast leg in Dallas on Memorial Day.
