

On Wednesday, March 15, 2017, the Board of Regents acted on the following ABAC/ BSC consolidation matter.

Recommended: That the Board approve the request of Abraham Baldwin Agricultural College President, Dr. David C. Bridges and Bainbridge State College Interim President, Dr. Stuart Rayfield, that Abraham Baldwin Agricultural College (“ABAC”) be authorized a new mission statement for the consolidated institution, effective January 2018.

Background: President David Bridges has requested that ABAC be authorized to create a new institutional mission statement to reflect the consolidated institution. The proposed mission statement was developed through an extensive process involving a broad spectrum of key stakeholders from Bainbridge State College and Abraham Baldwin Agricultural College.

Action: Based upon a recommendation from the Academic Affairs Committee, the Board of Regents approved (unanimously) for aforementioned recommendation.
